

Farnham Farmers' Market - Product Information Request Form

Please indicate which products you intend to bring to market over the coming year. Please indicate in the first column the name of the product, in the second column the ingredients that are needed to make this product (if applicable), where the ingredients have been sourced from to make the product (if applicable), in the third column the months of the year that the product is sold and in the fifth column whether it is your main or subsidiary line. The 3 producer per category maximum will be applied to products forming your main business. You will not be protected from competition on subsidiary lines.

Name of Product	Ingredients	Ingredients sourced from	Months of the year sold	Main or Subsidiary Lines	
				Main	Sub

Please use additional sheets as needed
